

MANAGED TELECOM SERVICES

OPTIMIZED SERVICE DELIVERY

Scale your operations.
Not your payroll.

MTS helps you handle high volumes of orders quickly and efficiently—without the cost and disruption of onboarding and offboarding staff.

**HIGH VOLUME.
ZERO HASSLE.**

We scale with your needs so you can stay focused on what matters most.

THE MTS ADVANTAGE

SCALE ON DEMAND

We ramp up quickly to manage your increased order volume.

REDUCE COSTS

Avoid the expenses of hiring, training, and offboarding temporary staff.

FASTER TURNAROUND

Proven processes and expert teams keep orders moving.

CONSISTENT QUALITY

Reliable, accurate service—every order, every time.

OUR PROVEN PROCESS

CUSTOMER ORDERS

Orders are received and validated.

MTS TEAM

Our experts manage and process each order.

PROVISIONING

Services are implemented accurately and on time.

QUALITY CHECK

We verify accuracy and confirm completion.

COMPLETED

Orders are delivered and results are reported.

WIDGET PRICING. PAY ONLY FOR RESULTS.

Instead of hourly rates, we price by the task. You pay only for the work completed—no billing for idle time.

TASK-BASED PRICING

Clear, upfront pricing for every task.

PAY FOR COMPLETION

You're billed only for completed work.

BETTER PROCESSES. BETTER PERFORMANCE.

When your processes are optimized, documented, and executed consistently, you reduce risk, improve customer satisfaction, and boost your bottom line.

- ✓ Faster Order Cycles
- ✓ Improved Customer Experience
- ✓ Lower Costs & Less Rework
